

## A child with bad teeth

Once upon a time there was a

who brushed his

every day. One evening he got bored and he didn't brush his teeth. The next day he did the same and he

started having

and

He went to his mum and she said:

- We are going to the

- I don't want to go to the dentist.
- But this is for your good.
- Ok, said the little boy.

Later he visited the dentist and he examined his teeth.

The dentist asked:

- Do you eat lots of

? Do you

your teeth afterwards? You must brush your teeth immediately after every meal and of course after candies.

- Ok doctor. From now on I'll always brush my teeth without feeling bored.

After that he kept his promise and he never had a toothache again.
